

# USAMAH HAFIDZ

WEB DEVELOPER

## PROFILE

+62-896-6923-5897

usamahhafidz99@gmail.com

Mangkubumen, Surakarta, Jawa Tengah, Indonesia

I am a highly motivated and skilled React programmer with a passion for crafting clean, efficient, and effective code. With a strong understanding of JavaScript, HTML, and CSS, I am able to turn ideas into reality through the use of the latest web technologies. My experience developing user-centered applications has honed my problem-solving and analytical skills, and I am eager to continue growing and pushing the boundaries of what is possible with React.

## SKILLS

### FRONT-END SKILLS

- HTML5/CSS/Javascript/TypeScript
